Personal
Reflection

God is still present with us today, no matter the circumstances of our lives. How can we call to mind God's goodness? What can we thank him for today?

The Israelites went to the Temple to offer praise and thanksgiving to the Lord. How can you offer praise and thanksgiving to the Lord this week?

God dwells with us and in us. There are also sacred locations where he dwells - most especially and physically, anywhere the Sacrament of the Eucharist is present. We invite you to meditate on this great mystery. If you can, take some time in front of the Blessed Sacrament either in an adoration chapel or before or after Mass and thank the Lord for being present.
